

2014 Camp Wyandot Wish List

With the summer season approaching we have put together a "Wish List" for those of you that would like to purchase or donate the money for something we need for this summer. The store indicated is just an example of where they could be purchased and approximately how much. Some of the items are very specific for example the Walkie Talkies. It is difficult to manage a variety of chargers and communication is not always effective between different types or brands. If you have any questions, please contact Connie Coutellier at ccoutellier@gmail.com . If you plan to purchase the item feel free to check in before doing so to ensure no one else purchased the item(s) you'd like to provide.
